YOUR SONG

It's a little bit funny, this feelin' inside.
I'm not one of those who can easily hide.
I don't have much money but, boy if I did,
I'd buy a big house where we both could live.

If I was a sculptor, but then again, no...
Or a man who makes potions in a travelin' show.
I know it's not much but it's the best I can do.
My gift is my song and this one's for you.

And you can tell everybody this is your song.
It may be quite simple but now that it's done
I hope you don't mind, I hope you don't mind that I put down in words
How wonderful life is while you're in the world.

I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross.
But the sun's been quite kind while I wrote this song
It's for people like you that keep it turned on.

So excuse me forgettin' but these things I do
You see I've forgotten if they're green or they're blue.
Anyway the thing is - what I really mean -
Yours are the sweetest eyes I've ever seen.

And you can tell everybody this is your song.
It may be quite simple but now that it's done
I hope you don't mind, I hope you don't mind that I put down in words
How wonderful life is while you're in the world.

I hope you don't mind, I hope you don't mind that I put down in words
How wonderful life is while you're in the world.
